## Child Safety Policy

Alberton Primary School embraces the values of Pride, Empathy, Effort and Respect. Our Vision for Alberton Primary School is one of a learning community where inspiration, team work and respect support the pursuit of excellence. As members of this learning community we are working to improve all student outcomes, promote respectful relationships and develop connections to the school.

In support of this:

*At Alberton Primary School,  
we have a zero tolerance to child abuse.*

### **Rationale:**

All Victorian schools are required to have a child safety policy or statement of commitment to child safety that details the principles that will guide the school in developing policies and procedures to create and maintain a child safe school environment; and the actions the school proposes to take to:

- demonstrate its commitment to child safety and monitor the school's adherence to its child safety policy;
- support, encourage and enable school staff, parents, and children to understand, identify, discuss and report child safety matters; and
- support or assist children who disclose child abuse, or are otherwise linked to suspected child abuse.
- Ensure that child safety is considered in the recruitment, selection and management of staff (includes contractors and volunteers)

Ministerial Order No. 870 (available at [www.vrqa.vic.gov.au/childsaf](http://www.vrqa.vic.gov.au/childsaf)) states that Child abuse includes –

- Any act committed against a child involving –
  - A sexual offence or
  - An offence under section 49 B (2) of the *Crimes Act 1958* (grooming)
- The infliction, on a child, of –
  - Physical violence or
  - Serious emotional or psychological harm
- Serious neglect of a child.

### **Evaluation:**

This policy will be reviewed in consultation with the whole school community as part of the school's three-year review cycle.

This policy was last ratified by School Council in
